

H&S AUTOSHOT MANUFACTURER STANDARD WARRANTY

Terms

Upon the following terms and conditions, H & S Autoshot (the Manufacturer) warrants the transformer to the purchaser of the stud gun models:

#9000 Deluxe Kit, 5 years
#5500 Stinger Plus, 3 years
#4550 Starter Kit, 2 years

This warranty period (the Manufacturer's Warranty Period) applies after the date of delivery registered by Purchaser and insures that this Uni-Spotter, upon leaving the factory, was free of defects in material and workmanship. The warranty period for switches and/or overload relays is 2-years. **Warranty applies only to registered products.**

During the Manufacturer's Warranty Period, the Manufacturer has arranged that a Uni-Spotter service center, which may be your Retailer if he has been appointed as such, will within a reasonable time:

- (a) Confirm Warranty applies and, providing it does,
- (b) repair this Uni-Spotter, or
- (c) install a replacement part of this Uni-Spotter, found to be defective in workmanship or material, or
- (d) replace the Uni-Spotter.

In the event failure is determined to be NON-WARRANTY, Purchaser will be notified of cost to repair, will confirm desired repair and will be responsible for repair cost.

Conditions and Limitations

The Manufacturer does not obligate itself under this warranty to:

- (a) replace the complete Uni-Spotter, or
- (b) pay any transportation, freight, or handling charges incurred in connection with this warranty.

It is a condition of the Manufacturer's obligations under this warranty that this Uni-Spotter shall be:

- (a) operated in accordance with the operating instructions, or
- (b) used only for its designed purpose, and
- (c) put to normal use only.

The warranty shall become void if this Uni-Spotter is:

- (a) used improperly or altered or serviced by unauthorized personnel, or
- (b) damaged by transit, misuse, accident, neglect, flood, fire, line surge or act of God, or
- (c) if its factory applied serial number is removed or changed.

The Manufacturer shall not be liable or responsible for personal injuries or damage to real or personal property, caused directly or indirectly by this Uni-Spotter. This is the only warranty covering this Uni-Spotter given by the Manufacturer and no other warranty or condition, statutory or otherwise, is given or extended by the Manufacturer. To the extent permitted by law, the Manufacturer disclaims liability for consequential damages. Any gun repair done under this warranty is warranted by the Manufacturer, only to the expiration of the Manufacturer's Warranty Period. Any replacement part provided under this warranty is warranted by the Manufacturer, only to the expiration of the Manufacturer's Warranty Period. Any of the terms and conditions of this warranty, wherever the name Uni-Spotter is mentioned are also applied to the Deluxe, Stinger Plus and Starter Kit.

Warranty Registration

It is extremely important that this Uni-Spotter be registered immediately by the owner. If for any reason, the Registration cannot be completed on-line at www.hsautoshot.com, the purchaser should mail, a copy of the bill of sale (1), contact name (2), shipping address (3) and phone number (4) to:

H & S Autoshot
Warranty Registration
PO Box 4472
Mooresville, NC 28117

The model, serial number and date of deliver of this Uni-Spotter must be supplied if it is not indicated on the bill of sale. The owner should retain the original bill of sale in the event it might be required to provide proof of purchase.
